Side x Side Cost Comparison Traditional Fax vs. Fax2Mail

Cut Your Faxing Costs by 80%!

Traditional Fax Monthly Cost

Computer Fax2Mail Monthly Costs

Fax Machine (\$250 divided by average 25 month usage)	\$10.
Phone line:	30.
Phone long distance:	10. *
Paper, toner, ink:	10. **
Maintenance	10. ***
TOTAL MONTHLY COST:	\$70.

Basic Fax2Mail:	\$9.95
PDF Editing and Electronic Signature (optional):	.95
TOTAL MONTHLY COST:	\$10.90 *

* Sending faxes outside of an area code will incur long distance charges, and usage can vary. \$10 is a conservative estimate.

** Paper and ink costs can vary widely depending on usage, and how many people in the office are using the same fax machine. \$10 is a conservative estimate.

*** Maintenance contracts for faxing equipment are optional, but can be expensive.

* Includes 350 pages per month. Larger quantities available for lower cost per page. Also, one or two year annual billing contracts are priced lower.

Prices do not include one time \$15 activation fee for Basic service, or \$2.95 one activation fee for PDF Editing option.
